May-September

**TUESDAY NIGHT**  
6:30 pm - 8:30 pm

**WEDNESDAY NIGHT**  
6:30 pm - 8:30 pm

**THURSDAY NIGHT**  
6:30 pm - 8:30 pm  
Thursday Night is Christian Music Night

**Call ahead to find out about  
our live music specials!**

We feature outside music for your dining pleasure. Our servers will bring you crabs and wait on you for the entire 2 hours. We even offer an outside sink to wash your hands. We provide everything you need. BYOB.

We use trans-fat-free & cholesterol-free grease.

The FDA advises consuming raw or undercooked meats, poultry, seafood or eggs increases your risk of foodborne illness.

At Capt. Bob's Crabs,  
we offer only the finest,  
freshest seafood available.

Besides crabs, we offer a great selection of shrimp, oysters, clams and crab legs. Of course, if you call a few days ahead, we can have your choice of fish, lobster, squid and other specialty items waiting for you to pick up at your convenience.

Unlike many of the grocery stores that sacrifice freshness for price, Capt. Bob's follows the season and cycle of the crab to bring the freshest, sweetest seafood to your table. And this assures that all the products used meet Capt. Bob's high standards.

Be cautious of what you put into your body. Find out where the seafood came from, how fresh it is and what chemicals are used to process it. As the old saying goes... you get what you pay for.

*"Our love for crabs is only second to our family and our love for our Lord and Savior Jesus Christ. For with him, all things are possible."*

**WE TAKE PRIDE IN OUR FOOD  
AND COOK EVERY ORDER FRESH  
AS IT IS ORDERED**

We do not consider ourselves fast food.  
Orders may take from 30-45 minutes.  
Please allow us to choose quality over quickness.
